March 5-7 2004	44	39	17

These surveys were conducted on the telephone by trained interviewers in all states of Australia and in both city and country areas. Telephone numbers and the person within the household were selected at random. The data has been weighted to reflect the population distribution. The latest survey is based on 1138 interviews among electors. Copyright at all times remains with NEWSPOLL. More poll information is available at www.newspoll.com.au
